The screenshot shows the 'Dance Mat Typing' website. At the top left, it says '11 October 2007' and 'Accessibility help Text only'. Below that are links for 'BBC Homepage' and 'BBC Schools'. A navigation menu on the left includes 'typing home', 'level 1', 'level 2', 'level 3', and 'level 4'. A red arrow points to the 'level 1' link. The main content area features a cartoon goat wearing sunglasses and a pink suit, with the text 'Come type with me!'. To the right, a blue box says 'start here!' with a yellow arrow pointing to a boombox and a star. Below this is a 2x2 grid of colored boxes labeled 'level 1' (blue), 'level 2' (purple), 'level 3' (green), and 'level 4' (orange). A red arrow points to the 'level 4' box. The word 'Schools' is visible in the top left corner of the page content.

Touch Typing

Free Program that lets you exercise and learn
Touch Typing.

To start the
program

Put your fingers on the yellow-colored keys: **A S D F** for the left hand, and **J K L ;** for the right hand. This is the position, in which touch typing is done, and from this position we reach for all other keys. In the first lesson, we practice touch typing the letters J and F, and continue to touch type all other letters. You don't have to work on-line to practice.
